Gentlemen

When I  
was at your place last Dec  
I understood you to say that  
if at any time I wanted to  
purchase any coins you would  
send them & let me make  
a selection. I would like  
very much to see the two  
1799c to one for 4<sup>00</sup> although 7.25  
Now if you will send them  
I will select one & return the  
other with cash the same  
day I receive them  
I would also like the  
1/2 dollar of 1892 <sup>see page 742 Co</sup>

all this time.

Do not send the same  
any more you are willing  
to trust me.

If you would like to know  
anything about me, write  
to The Wyoming National

Gentlemen

I have just received the coins  
I will keep the best one I suppose if at any  
time I would like to get a better one I could  
exchange. I would like to get a collection of  
foreign coins I wouldn't care for anything  
else but just a coin of every country.

Enclosed find check for \$6<sup>00</sup>

Yours Respectfully
